

# ATTENTION NK RESIDENTS

## Brush Trailer Change:

- The Village will no longer have brush trailers parked at West Street. This property is no longer owned by the Village.
- All brush, grass and garden waste is to be hauled out to *Buckeye Drive*, which is off of *Industrial Drive*, and placed directly on the pile.
- There is a sign indicating where yard refuse is to be dumped.
- You do not need to separate one type of waste from the other.
- NO bags or boxes are to be left on the pile.
- Brush trailers will only be used for LARGE pickups. To request a trailer for this, contact the village office. Trailers are not available over the weekend.

## Recycling Center:

- With the help of the Ohio EPA, Auglaize County Solid Waste Management has opened a recycling center.
- Center location is off of *Industrial Drive* at the Village Electric Building.
- Center is open 24/7.
- Please read signs at the drop off location for directions on sorting.

## Recycle Bins:

- Pick up recycle bins within 24 hours of recycling pick up.
- The village has replaced numerous recycle bins due to high winds. If the forecast is calling for windy conditions, please wait to set out your bin until the winds have died down.
- If you end up with a bin that is not yours, call the village office and we will have it picked up.
